PROFESSIONAL EXAMINATIONS MARCH 2024, ONLINE EXAMS

EXAMINATION INSTRUCTIONS

1. The test will be administered via the Internet and will require the following: A good Internet connection, A computer with a functional Webcam, Exam photo card.
2. The Institute will reject any registration form that is not properly completed.
3. Select **ONLINE EXAM** as the Examination Centre.
4. Examination fees once paid are non-refundable.
5. Make sure information loaded by the system e.g. exam category, and resit subject (if any) are correct before proceeding to payment.
6. Annual dues must be paid up to date.
7. **Download your photocard (examination card) immediately after paying all exam fees**, which contains the exam timetable, in PDF and save it on the laptop you would use for the online exam.
8. Examination applications submitted cannot be edited or modified.
9. Candidates will only be allowed to sit for the course(s) registered for.
10. Deferment of any examination will not be granted except on medical grounds, supported by a medical certificate/report and a letter from the candidate's manager or Head of Department (if applicable).
11. Ensure your computer's internet and battery are in good condition before starting the test.
12. Ensure no materials or books/persons laying around, phones, other gadgets/smart devices or anything that gives off as malpractice is found within 360-degree scanning of your environment.
13. Please perform all guided pre-test activities. Ensure there is enough light in the room.
14. Ensure your environment is quiet, kindly put all devices away, including calculators. Where a calculator is required, use the one provided on exam browser.
15. This test is automatically monitored by artificial intelligence (AI) hence any violation will be recorded against you.
16. Your unique Exam Username and Password are required to access the test.
17. Kindly access your test **ONLY** at the start date and time via <https://testclient.fot.com.ng/test> using your Exam Username or Password. The notification below will be displayed if you log in before the test date and start time stating: **"You are not currently scheduled for an assessment."**
18. Your Username is not case-sensitive; however, your password is case-sensitive. Once successfully logged in, click on the "Take Test" button to commence your test.
19. Upon logging in, read the instructions and click on the link specified on the testing platform to launch your assessment and insert your exam username and password a second time. Please note that once launched, access will be restricted to all other applications on your computer system so, ensure you have your password ready.
20. All applications that use a webcam should be closed before launching test such as Skype, MS Teams, Zoom, etc
21. Once your test has commenced, a timer will be located at the top-right corner of the screen which will indicate the total time left to complete the test.
22. **DO NOT** at any time leave or move your face away from your computer.
23. A preview of your video feed will be shown at the bottom right. **Always ensure your face is properly aligned with your camera.**

PROFESSIONAL EXAMINATIONS MARCH 2024, ONLINE EXAMS

24. For the multiple-choice assessments, there would be question numbers at the bottom of your screen which would change colour as you progress through the test.
25. A red-coloured number indicates a question that has not been answered, while green indicates a question that has been answered.
26. At the end of your test, the display on the screen will read "Test Submitted Successfully". **"Error in submission" notification at the end of the test is a result of a poor internet connection. Do not close** the test window. Try to submit again while ensuring that your network is stable. Also, ensure all uploads at the end get to 100%.
27. Please ensure you are using a stable internet connection throughout the test. In the event of an internet disruption during the test, do not close the test window as this will prematurely end the test without submission of your activity and you may be unable to log in again. Instead, check your internet source and try to ensure that it is stable.
28. Contact CIPM for any clarification on your result or information on your examination application.
29. By proceeding with payment, you agree with the above terms and conditions of the Institute's Online Examination.
